

Smarter KISSTM Straps

Introducing simple yet extraordinary changes to KISSTM Straps, that make KISSTM fabrication easier and usage simpler. We have made the straps **STRONGER** **SIMPLE** and more **CONTROLLABLE** by introducing these built-in features

- Presewn Cut Strips
- Double Reinforcement (at Distal Screw)
- Stiffer Construction

**Fit Anywhere with
Presewn Cut Strips
on the Distal Strap**

**Easily Don with
Stiffer Distal
Strap Construction**

**Feel Secure with
Double Reinforcement
at the Distal Attachment
Screw**
